The Stone Crabs Swim Team is a year round USA swimming program. Head coaches Ann & Randy Stone each have over 15 years of coaching experience. The emphasis of our program is to develop swimmers that will enjoy the sport for a lifetime. Stroke-development – freestyle, backstroke, breaststroke and butterfly – is a top priority. As swimmers improve their technique, yardage is added to help each swimmer realize their individual potential.

SWIM MEETS

DUAL MEETS – Swimmers are to arrive 30 minutes before the start of the meet. All home meets are at Englewood. We will need 15 volunteers at every home meet to help the meet run smoothly. We ask all families to volunteer at least twice throughout the summer. At all home meets we have a concession stand and each family is asked to donate drinks or snack items. Thank you!

INVITATIONAL SWIM MEETS – Swimmers will be invited to participate in the weekend meets when they are ready to handle this level of competition. All meet entry fees are independent of monthly fees and must be paid before the swim meet.
