October 14, 2010

Team practices continue to be held at the Winter Park High School Pool and the Stoneybrook Pool. There is quite a bit of information contained within this Newsletter, so please read thoroughly.

AGE GROUP CHAMPIONSHIPS (previously known as the Junior Olympics)

The Florida Swimming Junior Olympics will no longer be called the "Junior Olympics"- rather, the new term that will be used to refer to the twice a year gathering of the top 14 and under swimmers in Florida Swimming will be the "Age Group Championships". This is the exact same meet, just a new name. The qualifying times for the short and long course Age Group Championships have been lowered for all age groups, but not necessarily for all events. The new time standards are on our team web site.

TEAM PARKA

The order form for our team parka is located both on line at our team web site, or in the swim box. The team parka order will be placed on October 31st- this will allow the parkas to arrive in time for the holidays! Please contact Coach Ann if you would like additional information regarding the team parkas.

DUAL MEETS

October 21 at Southwest Stars facility in Winter Garden, FL Warm Ups 5:30 PM, Meet Start 6:00 PM

Our Stone Crabs Winter Invitational is fast approaching. We will need ALL of our families to get involved in order to insure the success of this invitational. The following teams are signed up to attend our invitational:

High Tide Aquatics (Gainesville), Winter Haven Stingrays, Ormond Holly Hills Otters (Ormond Beach), Trinity Prep Aquatics, Kissimmee Swim Association, Swim Tampa Aquatics, Camden County Boomers (Kings Bay, GA) Swordfish Aquatics (Atlanta, GA),

Nov. 19, 20, 21 at the Aquatic Center on International Drive, Orlando- Meet information is in the swim box
December 4th - Stone Crabs Winter Invitational

Additionally, all meet entry fees are due by the designated deadline. Several families still have outstanding fees for: Area 2 Champs, League Champs, Daytona, and Winter Haven. If you have turned in monthly and/or meet fees and your check has not yet cleared, please speak to Coach Ann. It has come to my attention that some of the checks may have been "lost"- thus accounting for the larger number than usual of unpaid monthly and invitational fees. All checks that were received by October 13th have been deposited. (The one exception is the Team T-shirt checks- I will deposit the T-shirt checks when I actually receive the T-shirts- this should be within the next ten days!)
