Welcome to the Stone Crabs Swim Team,

We are excited to welcome your child to our program. We are a year-round USA Swimming program. We have several practice locations and practice time options for your busy family schedule. Each location has unique characteristics - including pool size, heat versus no heat for winter months swimming, and monthly costs. All swimmers are required to be registered members of USA Swimming and the Stone Crabs Swim Team. Swimmers may practice at a different location throughout the week, or they can simply stick to just one location. Learn more about our pool locations on our website (www.StoneCrabsSwimTeam.com).

Swimmers of all ages and abilities are welcome in our program. We coach our novice level swimmers with the same degree of commitment and excitement as we do our High School All-American swimmers. We encourage our swimmers to train multiple days a week, but we also recognize that swimmers may only want to train one or at the most two days a week, and this is perfectly acceptable. Swimmers develop as they train, and a four-year-old does not need to train as a ten-year-old trains, nor does a ten-year-old need to train as a sixteen-year-old trains.

We are dedicated to ensuring that our swimmers continuously enjoy our sport. We recognize that children and teenagers participate in sports for all kinds of reasons - we want each swimmer to excel and become the strongest swimmer possible.

Sincerely,

Coach Ann & Randy Stone
