SWIM CAMP ACTIVITIES: Development of swimming skills- novice level through advanced age group/senior swimmers. Swimmers are divided into groups: Novice level swimmers learn how to swim! Intermediate and Advanced level swimmers develop their freestyle, backstroke, breaststroke and butterfly strokes. Experienced age group team swimmers utilize a wide variety of drills to further improve their stroke technique. Racing dives, flip turns, stroke development and speed work! LOTS of water games & LOTS of fun. Camp is open to all school aged children and teenagers. **Campers are asked to bring plenty of drinks to camp each day, as well as healthy nutritional snacks.** In the case of inclement weather, indoor activities are held during camp hours- water safety, games, and race analysis. Parents are requested to pick up campers promptly at 4PM. We do offer an All-Day Camp option as well.
